WHAT WE DO

Equipment Hire

Our warehouses are located close to client projects for quick response and savings in shipping costs.

Sales and Buy-Back

Sales and buyback guarantee to help general contractors balance their project budget and save cost.

Scaffold Contracting

Let Wenma bring its own equipment, scaffolders, engineers and expertise to provide you with total solutions.

Project Design & Planning

Whether you buy, hire from us or subcontract to us, our specialist engineering team is always with you.

Scaffold Safety Training

We offer CISRS certified safety training for scaffolders, as well as training in scaffold inspection and supervision.

Consultation & Inspection

We are always ready to share our knowledge and expertise in the scaffolding industry with our clients.

FINELOCK M48 SYSTEM SCAFFOLD

For industrial and construction

- Quick and Easy Save Man-Hour
- High Safety Standard for Oil & Gas Industries
- One System Infinite Application

Steel Scaffold Board

- Superior Corrosion Resistance
- Excellent Rust Resistance of the Cutting End Face
- Excellent in Severe Environments
- Cost Savings through Longer Service Life
- Versatility
