## WHAT WE DO

### Equipment Hire

Our warehouses are located close to client projects for quick response and savings in shipping costs.

### Sales and Buy-Back

Sales and buyback guarantee to help general contractors balance their project budget and save cost.

### Scaffold Contracting

Let Wenma bring its own equipment, scaffolders, engineers and expertise to provide you with total solutions.

### Project Design & Planning

Whether you buy, hire from us or subcontract to us, our specialist engineering team is always with you.

### Scaffold Safety Training

We offer CISRS certified safety training for scaffolders, as well as training in scaffold inspection and supervision.

### Consultation & Inspection

We are always ready to share our knowledge and expertise in the scaffolding industry with our clients.

# FINELOCK M48 SYSTEM SCAFFOLD

For industrial and construction

- Quick and Easy Save Man-Hour
- High Safety Standard for Oil & Gas Industries
- One System Infinite Application

## Steel Scaffold Board

- Superior Corrosion Resistance
- Excellent Rust Resistance of the Cutting End Face
- Excellent in Severe Environments
- Cost Savings through Longer Service Life
- Versatility
